*Motorists can access real-time, statewide, route-specific information on accidents, road work, traffic and weather conditions through **Georgia 511** - a free phone service. By dialing 511, callers also can transfer to operators 24 hours a day to report incidents or request assistance. The system can be used to access transit providers, major airports, rideshare organizations, tourism information and 511 systems in surrounding states. Additionally, 511 is available online. Georgia DOT partners with sponsors for assistance in funding 511, thereby preserving tax dollars and helping sustain critical services. For more information about 511, visit 511ga.org.
